BJCTA Named Winner of APTA's Bus Safety and Security Gold Award

(BIRMINGHAM, AL., May 2017) - The Birmingham-Jefferson County Transit Authority (BJCTA) is excited to be named the winner of the American Public Transportation Association's (APTA) Bus Safety and Security Gold Award for transit agencies with fewer than 4 million passenger trips annually. This award was presented to BJCTA's Safety Manager, Dale Knutson, today in Reno, Nevada.

The purpose of the APTA Bus Safety and Security Award competition is to encourage transit systems to improve their safety programs. The competition was open to all fixed route motor bus systems in the United States and Canada. "We are excited to receive this award. We want our passengers to know we are serious about safety," said BJCTA Executive Director, Barbara Murdock.
