#### How to read this Bus Schedule

- ⇒ To follow a bus trip you read across the page, left to right.
- ⇒ Times are given at certain points along the bus route called time points.
- ⇒ If your departure or arrival point is between one of the time points, estimate the time the bus will be at your stop.
- ⇒ Depending on which direction you wish to travel, find that time point under Inbound or Outbound. Inbound means the bus is traveling to downtown Birmingham. Outbound means the bus is traveling away from downtown.
- ⇒ When dash lines appear under a time point, it means the bus will not stop on that particular trip.
- ⇒ Be at the bus stop a few minutes early to allow for errors in estimating.

All times listed may vary with weather and traffic conditions.
