Applicant for Paratransit Service:

The information in this application is needed to establish your eligibility for Paratransit service under the Americans with Disability Act (ADA). The ADA requires that comparable transportation be provided to persons with functional disabilities who, because of their disability, are unable to access or use regular bus service. If you believe that you have a disability that prevents you from using a BJCTA/MAX Transit bus, please complete the enclosed application and return it to the Birmingham Jefferson County Transit Authority as indicated on the application.

A complete application has the following three parts:

1. Application (The Application should be completed and signed by the applicant, or their representative.)
2. Release of Information Form (The Release of Information form should be completed and signed by the applicant, or their representative.)
3. Medical Verification (The Medical Verification should be completed and signed by one of the licensed medical professionals indicated on the verification form.)

In order for the BJCTA to evaluate your application for Paratransit eligibility, it may be necessary for the BJCTA to contact a physician or other licensed health care professionals to confirm the information you have provided. It is important that all parts of this form are completed and returned promptly. If the application is not complete, it will be returned to you for completion, which will delay the determination process. It could also delay your transportation. A determination regarding your eligibility for Paratransit service will be made within 21 days after receipt of the completed application. You will be notified in writing as to the decision on eligibility.

If eligibility is denied, the written notification of denial of services will also include information as to how you may appeal the decision.

If you have any questions, or if you need help in completing this application, please call BJCTA Paratransit at (205) 521-9048 or (205) 521-0180.

BJCTA does not collect fares for travel to and from Paratransit eligibility assessments, interviews, or photo ID issuance. These services are provided at no cost to the rider.
Americans with Disabilities Act
The Americans with Disabilities Act states that an eligible individual is an individual with a disability who is unable without the assistance of another individual to board, ride or disembark from any vehicle on the system which is readily accessible to and usable by individuals with disabilities.

All incomplete applications will be returned to sender. A complete application has the following three parts completed:
1. Application
2. Medical Release
3. Medical Verification Form—This form must be completed by your medical professional/or licensed professional.
