

How to read this Bus Schedule

- ⇒ To follow a bus trip you read across the page, left to right.
- ⇒ Times are given at certain points along the bus route called time points.
- ⇒ If your departure or arrival point is between one of the time points, estimate the time the bus will be at your stop.
- ⇒ Depending on which direction you wish to travel, find that time point under **Inbound** or **Outbound**. Inbound means the bus is traveling to downtown Birmingham. Outbound means the bus is traveling away from downtown.
- ⇒ When dash lines appear under a time point, it means the bus will not pass that stop on that particular trip.
- ⇒ Be at the bus stop a few minutes early to allow for errors in estimating.

All times listed may vary with weather and traffic conditions.
