# ***Air France Check In Made Easy – Step-by-Step Process || Support Help||***

Checking in for your **Air France** **flight** is the first step toward a smooth, stress-free travel experience. Whether you prefer **online, mobile, airport counter, or kiosk check-in**, understanding the process ensures you avoid last-minute complications and meet airline and security requirements.

Air France provides a flexible system for both **domestic and international travelers**, allowing you to select seats, manage baggage, and print boarding passes efficiently.

---

## Online Check-In

**Online check-in** is the most convenient option for most travelers.

- Available **48 hours before departure** and closes **90 minutes prior** for international flights.
- Requires your **booking reference or ticket number** and personal information.

Allows you to:

    - Select or change seats
    - Add meal preferences
    - Specify baggage requirements

- Boarding passes can be **downloaded, printed, or saved on your mobile device** for airport security.

---

## Mobile Check-In

Air France' **mobile app** offers a fully digital check-in experience:

- Check in anytime within the same **48-hour window**.
- Receive **digital boarding passes** directly on your smartphone or tablet.

Manage:

    - Seat selection
    - Baggage options
    - Special service requests
- Receive **real-time flight updates**, gate changes, and boarding notifications.
- Ensure your device is **charged** and the boarding pass is accessible.

---

## Airport Counter Check-In

Prefer personal assistance? The **airport counter** is perfect for travelers needing extra support:

- Opens **several hours before departure**

Staff helps with:

    - Ticket verification
    - Baggage check
    - Special service requests
- Requirements: **government-issued ID or passport + booking reference**
- Receive a **physical boarding pass** and **baggage tags**
- Recommended for **complex itineraries, excess baggage, or international travel**

---

## Self-Service Kiosks

**Kiosks** are a hybrid option for passengers seeking **quick, minimal interaction**:

- Located in most airport terminals
- Enter **booking reference or frequent flyer number**
- Select seats, print boarding passes, and tag luggage
- Reduces waiting times, especially during **peak travel hours**

---

## Special Check-In Considerations

Notify Air France in advance if traveling with:

    - **Infants**

    - **Unaccompanied minors**
    - **Pets**
    - **Medical devices**
- Review **international travel documents** such as visas and customs forms
- Comply with airline baggage policies to avoid delays or denied boarding
