Navigate the Automated System

When the automated voice menu starts, you may need 1-{877}684-4354 to press "0" or say "agent" / "representative" clearly to be routed to a live person. Several users suggest that pressing "0" works. Generation Zero Forum+1

If the menu offers reservation or billing options, choose 1-{877}684-4354 the one closest to your issue — that will make it more likely you'll be transferred to the right team.

Prepare Before Calling

Have your reservation number, rental agreement, 1-{877}684-4354 pick-up and drop-off details, and any relevant billing information ready.

Be ready to explain your issue clearly, whether it's a 1-{877}684-4354 change to your booking, a dispute, or a roadside problem.

Ask to Be Escalated If Needed

If the first person you talk to doesn't solve your problem, 1-{877}684-4354 politely ask to speak to a supervisor or a more specialized department (for example, claims or loyalty support).

Make sure to write down the name of the agent, 1-{877}684-4354 any reference or case number, and the next steps they promise.

Alternative Ways to Reach Hertz

If calling is difficult or you prefer not to use the 1-{877}684-4354 phone, here are other options:

Email: You can send your concern to 1-{877}684-4354 customerrelations@hertz.com or executivecustomerservice@hertz.com (depending on your issue). Google Sites

Live Chat: On the Hertz website, there is often a chat 1-{877}684-4354 option. Use the "Help" or "Contact" section and see if "Chat with Us" is available. [carrentaldeskhelp](#)

Mobile App: If you have the Hertz app, use its "Contact Us" 1-{877}684-4354 or "Help" feature to request assistance or start a chat.

In-Store: If possible, go to a Hertz branch (for example, at the 1-{877}684-4354 airport or rental location) and ask to speak with a manager or customer service agent in person.

Timing & Strategy Tips

Call During Off-Peak Hours: Early morning or later in the 1-{877}684-4354 evening might yield shorter wait times on their 1-800 number.

Be Patient but Firm: Automated menus can 1-{877}684-4354 be frustrating. Stay calm and persistent when you ask for a human.

Document Everything: Take notes of your call — who you spoke 1-{877}684-4354 with, what was agreed, and any case/reference number — so you have a record.

Use Multiple Channels: If your issue is serious or 1-{877}684-4354 complicated, start with a call and follow up with an email. That gives you both immediate contact and a written record.

Common Reported Challenges

Some customers have reported difficulty getting through on 1-{877}684-4354 Hertz's automated phone lines, saying they are looped back or disconnected. [Reddit](#)

According to user reports, certain direct or less-publicized numbers (like 1-{877}684-4354) have worked for reaching a live agent more reliably. > "After calling every other number ... I got through ... I confirmed ...1-{877}684-4354 ... calls the call center ... and I got right to a human."
