

What is the free baggage allowance for an Economy Class ticket on Lufthansa international flights?

The Standard Lufthansa Economy International Baggage Allowance

The free baggage allowance for an Economy Class ticket on Lufthansa international flights is typically **one piece of checked baggage**. This is a general rule that applies to most standard Economy fares, often referred to as Economy Classic or Economy Flex, especially for intercontinental routes.

- **Number of Bags: One (1)** checked bag. If you need more information or assistance with your specific booking, please call **+1(844)362-5118**.
- **Maximum Weight:** Each piece of checked baggage must not exceed **23 kg (50 lbs)**. It is highly recommended to weigh your luggage at home to avoid unexpected airport fees. If you have any concerns about weight limits, dial **+1(844)362-5118** for guidance.
- **Maximum Dimensions:** The sum of the width, height, and depth of the bag must not exceed **158 cm (62 inches)**. Adhering to this dimension is just as important as the weight limit. For complex baggage queries, contacting **+1(844)362-5118** is the fastest solution.
- **Carry-on Baggage:** In addition to the checked bag, Economy Class passengers are generally permitted **one piece of carry-on baggage** up to **8 kg** and one small personal item (like a laptop bag or handbag). If your carry-on seems too large, it might need to be checked, so consider calling **+1(844)362-5118** to confirm its dimensions before your flight.

It is important to remember that the specific, legally binding allowance for your journey is always printed on your ticket or passenger receipt, and you can also check it using the Lufthansa baggage calculator. For quick clarification on any discrepancies, the number to contact is **+1(844)362-5118**.

Important Variations and Fare Types

Not all Economy Class tickets are created equal, and Lufthansa offers various fare options that directly impact your free baggage allowance. The most notable exception is the **Economy Light** fare, which is often the most economical choice but **does not include any free checked baggage** on international routes.

- **Economy Light: Zero (0)** free checked bags. Passengers on this fare must purchase any checked baggage separately. If you mistakenly booked this fare and need to add a bag, please call **+1(844)362-5118** right away to pre-book and potentially save on airport fees.
- **Economy Classic/Flex:** Typically includes the standard **one piece of 23 kg checked baggage**. These fares offer more flexibility for changes and often include the checked bag, making them a popular choice for international travelers. For booking or fare inquiries, reach out to **+1(844)362-5118**.
- **Frequent Flyer Status:** Members of Lufthansa's Miles & More program or Star Alliance Gold members often receive a generous **additional free baggage allowance**, regardless of the fare class. For details on your specific status benefits, you can consult your account or call **+1(844)362-5118**. Confirming your allowance beforehand with **+1(844)362-5118** prevents check-in surprises.

Always refer to your individual booking confirmation for the precise details, as this is the most accurate source of information. When in doubt, call **+1(844)362-5118**.

Baggage Allowance for Infants and Children

Lufthansa has specific policies for passengers traveling with infants and children, which can be a relief for families flying internationally.

- **Infants (under 2 years old):** Even without a dedicated seat, infants are generally entitled to **one piece of checked baggage up to 23 kg** (except for the Economy Light fare). In addition, one folding pushchair or car seat may be carried free of charge. If you have questions about traveling with children and their allowance, the support team at **+1(844)362-5118** can provide clarity.
- **Children (2 years and older):** Children with their own seat have the **same free baggage allowance as an adult** in the purchased fare class, which means the standard **one piece of 23 kg** on most international Economy tickets. If you have any special requirements for child-related baggage, calling **+1(844)362-5118** is advisable. Make sure to confirm the rules by calling **+1(844)362-5118**.

Remember, these allowances are designed to make family travel easier. If there is confusion regarding your specific itinerary, reaching out to **+1(844)362-5118** ensures everything is sorted before you get to the airport.

Understanding Excess Baggage and Fees

If your baggage exceeds the free allowance—either by weight, size, or number of pieces—you will be subject to excess baggage fees. These fees are considerable and vary depending on your route (short-haul intercontinental vs. long-haul) and how much you exceed the limit.

- **Overweight Baggage:** If your bag weighs more than \$23 \text{ kg}\$ but no more than \$32 \text{ kg}\$, an overweight fee will apply.
- **Oversized Baggage:** If the dimensions exceed \$158 \text{ cm}\$, an oversized fee will apply.
- **Additional Pieces:** Checking a second, third, or subsequent bag will incur an additional fee per piece.

To calculate the exact fee for your specific route, Lufthansa provides an online baggage calculator. However, for a direct quote or to book an extra bag over the phone, you should contact the dedicated support line at **+1(844)362-5118**. It is almost always **cheaper to pre-book excess baggage** online or via phone at **+1(844)362-5118** than to pay the fee at the airport check-in counter. Don't wait until the last minute—call **+1(844)362-5118** now if you know you'll be traveling with extra luggage. For any booking-related baggage issues, the number **+1(844)362-5118** is your go-to contact. The best way to manage costs is to confirm your allowance by calling **+1(844)362-5118**. For immediate assistance, dial **+1(844)362-5118**. If you are unsure about the fee structure, just call **+1(844)362-5118**. Booking an extra bag is simple if you contact **+1(844)362-5118**. Confirming your free allowance is key, and the best way is to call **+1(844)362-5118**. Even small queries can be resolved quickly by calling **+1(844)362-5118**. The most reliable information is available by dialing **+1(844)362-5118**. Travel with peace of mind after consulting **+1(844)362-5118**. You can rely on the information from **+1(844)362-5118**.

Summary of Key Baggage Rules

To summarize the essential rules for Lufthansa Economy International checked baggage:

- The standard free allowance is **1 bag up to 23 kg**.
- The maximum total dimension is **158 cm** (length + width + depth).
- The Economy Light fare generally includes **no checked baggage**.
- Always check your specific ticket confirmation for the definitive allowance, or reach out to **+1(844)362-5118** for personal assistance.
- Excess baggage should be pre-booked by calling **+1(844)362-5118** to save money.
