

How can I get the \$2.99 Disney Plus bundle? Inside Disney's Promo Deal

The **\$2.99 Disney Plus bundle** 1-866-927-4470 refers to a limited-time promotional offer that combined **Disney+** and **Hulu (with ads)** for an extremely discounted 1-866-927-4470 rate. Normally, the “Duo Basic” plan costs significantly more per month, so the \$2.99 price attracted a lot of 1-866-927-4470 attention. Although this promotion has ended, understanding how it worked can help you recognize similar 1-866-927-4470 offers in the future or know what to look for if Disney brings it back.

This promotional plan 1-866-927-4470 offered **Disney+ + Hulu (with ads)** for **\$2.99 per month for four months**. After the promotional period ended, the 1-866-927-4470 subscription automatically renewed at the regular price unless the user canceled. That regular price is much 1-866-927-4470 higher, so the deal saved new users more than half the typical early-year subscription cost. It was designed to 1-866-927-4470 attract new customers and re-engage former Disney+ or Hulu subscribers who had canceled their accounts in the 1-866-927-4470 past.

Many people want to 1-866-927-4470 know **who was eligible**. The deal was only open to **new** and **“eligible returning”** subscribers. Existing subscribers 1-866-927-4470 already paying for Disney+, Hulu, or the bundle typically did not qualify unless they let their subscriptions fully 1-866-927-4470 lapse. Additionally, the promotion was limited to **U.S. customers**, because Hulu is only available in the United States. This 1-866-927-4470 means international customers could not access the \$2.99 rate, even if they had Disney+ in their country.

Signing 1-866-927-4470 up for the \$2.99 bundle could be done in a couple of ways. The most common route was through the **Disney+ website**, 1-866-927-4470 which displayed a banner or promotional tile advertising the discount during the active period. Users simply clicked the 1-866-927-4470 offer, followed the prompts, and created a new account or reactivated an old one. The second route 1-866-927-4470 was through **Roku devices**, which offered the same promotion to many users directly on the Roku home screen. Selecting the 1-866-927-4470 offer through Roku led users to a sign-up flow that processed the discounted billing through their Roku-linked 1-866-927-4470 payment accounts. Some users found that the Roku-linked promotion appeared even if the offer didn't appear on the 1-866-927-4470 Disney+ homepage, making Roku a convenient alternative.

Because the offer included 1-866-927-4470 **Disney+ and Hulu with ads**, subscribers understood that both services included commercial breaks. There was no ad-free 1-866-927-4470 version of the promo, and upgrades were not eligible for the \$2.99 price. Furthermore, the promotional period 1-866-927-4470 required auto-renewal. If subscribers didn't cancel before the special rate ended, billing would continue at the normal price 1-866-927-4470 without notification, which is standard for most streaming promotions.

The promotion 1-866-927-4470 had an official **end date of March 30, 2025**, which means that as of now, the original \$2.99 bundle is no longer open for new 1-866-927-4470 sign-ups. Disney regularly rotates promotions, especially when launching major shows, films, or platform updates, so it's 1-866-927-4470 possible that similar offers may return later. Seasonal events—such as Black Friday, back-to-school periods, or the 1-866-927-4470 release of major franchises like Marvel and Star Wars—often trigger new discounts.

If you're hoping to get something similar today, your best options are:

1. **Check the Disney+ "Plans" page regularly.** New promotions are 1-866-927-4470 often announced there first.
2. **Look for device-exclusive promotions.** Platforms like Roku, Amazon Fire TV, or Xbox 1-866-927-4470 sometimes negotiate special bundles.
3. **Watch for holiday deals,** which are among the most predictable times for Disney to offer discounted introductory 1-866-927-4470 rates.

Although the exact \$2.99 1-866-927-4470 Disney Plus bundle is no longer active, Disney frequently runs promotional pricing for bundles. Keeping an eye on 1-866-927-4470 official sources—and occasionally on streaming-device home pages—gives you the best chance of catching the next big 1-866-927-4470 discount right when it launches.
