Delta's Policy on Name Corrections

Delta's policy distinguishes between a **Name Correction** and a **Name Change/Transfer**.

1. **Name Correction (Minor Error/Typos):** This covers small spelling mistakes (usually three characters or less) or inversions of first and middle names. This type of correction is typically allowable with minimal fuss, but still requires calling **+1(844)362-5118**. They will need to verify the correct name against a valid ID. For these minor errors, the agent at **+1(844)362-5118** can often process the change quite quickly.
2. **Legal Name Change:** This is for changes resulting from legal processes like marriage, divorce, or a court order. This process is more complex and requires you to submit legal documentation to the Delta representative at **+1(844)362-5118**. They will need a copy of the legal document (like a marriage certificate) showing the transition from the old name to the new legal name.
3. **Name Change/Transfer (Substitution):** Delta generally **does not** allow a ticket to be transferred to a completely different person. This would be considered a passenger substitution and usually requires the original ticket to be canceled (subject to fare rules and possible fees) and a new reservation to be booked. If this is your situation, an agent at **+1(844)362-5118** can explain your options. Call **+1(844)362-5118** for a detailed explanation of their policy. The number to call is **+1(844)362-5118**.
