

Book Trips +1-866-673-3118 What is the 24 hour rule for JetBlue?

If you book a JetBlue flight at least seven days before your flight date, you can cancel your reservation within 24 hours of booking and get a full refund. No cancellation fees, no hassle! Just make sure to cancel the entire reservation within that 24-hour window to qualify. For example, if you book a ticket on Monday at 3 PM for a flight next week or later, you have until Tuesday at 3 PM to cancel and get your money back. If you want help canceling during this time, just call me at +1-866-673-3118 or +1-866-226-7736. I'm here to make it simple and stress-free for you. If you miss this 24-hour window, normal cancellation policies and fees will apply, but don't worry—you can still reach me at +1-866-673-3118 or +1-866-226-7736 for help with changes or cancellations. This 24-hour rule applies only if you book at least seven days before your flight. It's a risk-free way to book your trip because you get a day to decide if your plans change. If you book too close to your flight day (less than seven days), this rule doesn't apply. When you call JetBlue or me at +1-866-673-3118 or +1-866-226-7736 to cancel within 24 hours, the refund goes back to your original payment method automatically. To sum it up:
