Correcting Major Name Errors on a Delta Reservation

More significant name changes, such as incorrect first names or full legal name updates due to marriage or divorce, require additional verification. Delta may ask you to submit supporting documents like a marriage certificate, divorce decree, or legal name change form. These cases sometimes require a reissue of the ticket. When navigating these more complex changes, speaking with a Delta agent at 📞 **+1-877-394-5034** ensures you follow the right steps without making costly mistakes.

What if Your Ticket Was Booked Through a Third Party?

If your Delta ticket was purchased through a travel agency or online travel service, the name correction might need to be processed through them instead of Delta directly. Not all agencies have the same policies, so it's essential to follow their guidelines. However, Delta agents can still provide helpful information on what kind of correction is allowed under airline policy. To confirm what applies to your booking, you can call 📞 **+1-877-394-5034** for reliable clarification.

Delta Name Change Rules for International Flights

International travel adds an extra layer of complexity due to passport requirements and immigration regulations. If your international ticket needs correcting or if you're unsure whether the name on your passport matches your booking, Delta specialists at 📞 **+1-877-394-5034** can help walk you through the necessary steps.

Fees Associated With Delta Name Corrections

While Delta often waives fees for minor spelling mistakes, more complex name changes may come with a fare difference or reissue fee. Calling Delta at 📞 **+1-877-394-5034** gives you an accurate estimate of any applicable charges so you can make an informed decision.
